killed or of those injured. The following is a list of the killed: Geo. Sloonaker, Miss Lizzie Claycomb, John Miller (colored), Isaac Foler, Mrs. Wesley Burns, Miss Clara Burns, George Horner, aged eleven—jumped from the top gallery, thirty feet, down to the parquet, and broke his neck; Mrs. John W. Nestor, Eddie Bugler.

The cause of death in every instance was the crushing at the doorway leading to the street, in the frantic efforts of the people to get out of the building. The cry of fire was sounded from the zilian flag, arrived in the Tagus at 10:15 o'clock this morning. She anstantly, upon the cry being raised the brought to the Fort Wayne depot where audience made a break and a plunge he was met by the First and Second for the narrow exit. Those in front were thrown forward and upon them the whole mass of people tumbled headlong, climbing over them and lery and escorted to the house of Prescausing a jam right at the street door. The scene at this time was simply horrible. A great crowd at once gathered in the street and pushed up so close y against the theatre entrance that tie police could not keap them back. In or-der to drive them away it was found at that hope preparatory to participate upon them from a fire hose. All this time the yells and cries of both those iuside and out of the theatre were terrible to hear and were heard for Crook, Postmaster Sexton, Presiden squares. The cause of the fire alarm Peck, of the auditorium company and was smoke issuing from the chimney in a kitchen in the rear of a residence committee boarded a special Par several blocks away from the theatre. A coroner's inquest has been sum-money and will take testimony this inches wide in the clear. This is three or four feet from the foot of the stair rived the president's car was attached swing door. This opening is exactly city was without event, within all was four feet wide. The stairway leading to the first floor is twenty feet seven inches in ascent. The stairway
